

EVERGREEN LINE

Evergreen Expands its Service Network to Northern Mindanao

In order to offer a wide-ranging service to the whole market of the Philippines especially in Mindanao Island, Evergreen Line who operates the fourth largest container fleet in the world will launch the new Taiwan-Philippines Service (TPH) adding new port call at Mindanao Container Terminal in Tagoloan, Misamis Oriental.

The dedicated South Philippines feeder loop will utilize two containerships with a minimum capacity of 1, 300 TEU. The first sailing of the weekly TPH service will start on October 25, 2017 from Kaohsiung, Taiwan and calls at Cebu City, Cagayan de Oro City, General Santos City, Davao City and then back to Kaohsiung, Taiwan as main transshipment hub connecting to all Evergreen's global service network. The maiden voyage arrival of TPH service at Mindanao Container Terminal (MICT) in Tagoloan, Misamis Oriental is on October 29, 2017.

Rotation: Kaohsiung, TW - Cebu, PH - Cagayan de Oro, PH - General Santos, PH Davao PH

ASEAN integration is one of the main market opportunities in the region that considered by Evergreen Line, various support and assistance offered by local exporters contributed to the better export performance of the region. The ASEAN integration is providing rooms for the local export industry players to compete with the rest of the export industry players within the ASEAN, this further helps to boost the region's competitiveness align with the standards of the International Standard Organization (ISO). The members of Regional Development Council (RDC-10) develop programs and projects including the
