TO ALL OUR VALUED CONSIGNEES:

SUBJECT : **SMARTLINK Online System for Empty Pre-advice**
EFFECTIVITY : **SEPTEMBER 1, 2025**
MESSAGE : **Details and application of SMARTLINK Online System will be as follows:**

PLEASE DISREGARD ALL PRIOR NOTICES prior to this one.

In line with our commitment to embracing modern and digital technologies, EGP is pleased to introduce SMARTLINK, our new online system designed to streamline and enhance the handling of pre-advice concerns for your EMPTY containers.

Towards Global Online digitalization, effective September 1, 2025, EVERGREEN will adapt new SMARTLINK Online System to cater all entries for Empty Pre-advice.

This transition will allow you to become more familiar with the new system and ensure a smoother and more efficient experience moving forward AND protect you from huge claims arising from residue in the container(s) which are returned from your premises to the Cebu International Port, Diadem and Cebu South, should these containers be shipped to other ports.

To help you better understand this new process, we've attached a PDF guide for your reference.

We highly encourage you to register on the SMARTLINK system as soon as possible.

All of EVERGREEN's Consignees are required to sign up to SMARTLINK Online System by using below link:
